1. INTRODUCTION

- 1.1 *River Learning Trust* is a charitable company and limited by guarantee, (the “Trust”). The Trust has both Members and Trustees.
- 1.2 The Members of the Trust have ultimate control over the Trust, holding the Trustees to account in pursuing and fulfilling the aims and Objects of the Trust.
- 1.3 The Members hold specific powers, in accordance with the Articles of Association for the Trust, to appoint and remove Trustees, and to appoint additional Members.
- 1.4 The operation of the Trust is governed by a Board of Trustees (the “Trustees”) who are responsible for, and oversee, the management and administration of the Trust and the academies run by the Trust. New Marston Primary School (the “School”) is one of the academies.
- 1.5 The Trustees are accountable to the Members and external government agencies including the Charity Commission and the Department for Education (including any successor bodies) for the quality of the education they provide and they are required to have systems in place through which they can assure themselves of quality, safety and good practice.
- 1.6 In order to discharge these responsibilities, the Trustees appoint people who are more locally based to serve on a board (the “Local Governing Body”) which has been established to ensure the good governance of the School.
- 1.7 This Scheme of Delegation explains the ways in which the Trustees fulfil their responsibilities for the leadership and management of the School, the respective roles and responsibilities of the Trustees and the members of the Local Governing Body and the commitments to each other to ensure the success of the School.
- 1.8 This Policy and Scheme of Delegation has been put in place by the Trustees from the Effective Date in accordance with the provisions of the Trust’s Articles of Association (the “Articles”) and it should be read in conjunction with those Articles. References in

this Scheme to numbered Articles are to the relevant clause of the Articles.

2. MEMBERS AND TRUSTEES' POWERS AND RESPONSIBILITIES

- 2.1 The Members have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishment and oversight of the Board of Trustees.
- 2.2 The Board of Trustees is responsible for the core governance functions within the Trust; that is, setting the strategic direction, holding the Chief Executive of the Trust to account and ensuring financial probity and the quality of standards. As charity trustees, they must also ensure that they are complying with charity law requirements.
- 2.3 The responsibilities of the Trustees are largely exercised through strategic planning, the setting of policy, business planning, monitoring of budgets, performance management, the setting of standards and the implementation of quality management processes. The Trustees have the power to direct change where required.
- 2.4 The Trustees have a duty to act in the fulfilment of the Trust's objects.
- 2.5 Trustees will have regard to the interests of the other academies for which the Trust is responsible in deciding and implementing any policy or exercising any authority in respect of the School.
- 2.6 Article 100 provides for the appointment by the Trustees of committees to whom the Trustees may delegate certain of the functions of the Trustees. In further recognition of the Trustees' power to delegate under Articles 105 and 106, responsibility for the running of the School from the Effective Date will be delegated to the committee established by this Scheme of Delegation and which shall be known as the Local Governing Body of the School.
- 2.7 The constitution, membership and proceedings of the Local Governing Body are determined by the Trustees. These Standing Orders and Scheme of Delegation express such matters as well as acknowledging the authority delegated to the Local Governing Body in order to enable the Local Governing Body to run the School and fulfil the School's mission.

These will be known as ‘Community Governors’.

- 3.2.2 The Trustees may appoint persons who are employed at the School to serve on the Local Governing Body through such process as they may determine, provided that the total number of such persons (including the Principal) does not exceed one third of the total number of persons on the Local Governing Body. The positions held by those employed at the School (e.g. teaching and non-teaching) may be taken into account when considering appointments.
- 3.2.3 Unless the Trustees agree otherwise, in appointing persons to serve on the Local Governing Body who are employed at the School the Local Governing Body shall invite nominations from all staff employed under a contract of employment or a contract for services or otherwise engaged to provide services to the School (excluding the Principal) and, where there are any contested posts, The Trustees will make appointments drawing on the pool of candidates.
