

English:

As writers we will be exploring the issues covered within the text of A Monster Calls. We will be using the texts to create our own allegorical texts.

Later in the term, we will be creating non-chronological texts - linked to our science work of 'Inheritance and Adaptation.'

Maths

As mathematicians, we will be exploring decimals and measurement. We will be deepening our understanding in these areas by reasoning and problem-solving.

Science

As scientists, we will be exploring Inheritance and Adaptation which we hope to enrich with a trip to Oxford University's Museum of Natural History.

Term 3

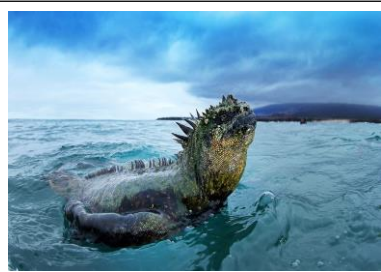

Year 6

Computing

Within computing, we will be developing our coding skills. We will be using coding programs to create our own animations.

History:

During this term, we will be continuing our exploration of the ancient civilisation of the Maya. We will be comparing the lifestyles of Maya citizens with the civilians of a more recent, UK based period of history.

Art:

Inspired by our Science topic, we will be creating 3D models of the Galapagos Islands.

PE

Languages

We are all budding linguists; this term and year we will be continuing to learn Spanish.
