

English

We will be sharing 'Paddington' in class during term 4'. We will discuss the story class and listen respectfully to others.

In our writing, we will be developing our storytelling skills and will be using our visit to London to think of a new adventure for Paddington.

Handwriting sessions will continue daily

Spellings

Will continue to come home weekly. We will focus on practising common expectation words and days of the week. Children will also be supported with their spellings in class.

Geography

In order to link in with our 'Explorers' topic we will be developing our map making skills by looking at our understanding our the local area

Read Write Inc Phonics

Groups will continue daily and will include reading and decoding practice

P4C

We will continue with our weekly Philosophy for Children sessions in class.

Year 1 Term 4

Explorers!

Topic/History

During Term 3 & 4 Year 1 will become explorers and we will be learning about some of the significant explorers in history including Christopher Columbus, Amy Johnson and Neil Armstrong. We will think about why they were pioneers, where they explored and how they got there. We will compare their adventures with travel today.

Art

This term we will be designing and creating Spring crafts

Design Technology

We will be designing (and making) our own healthy foods

Maths

We will start Term 4 by exploring subtraction within 20. We will also be developing our understanding of 'fact families' before returning to place value, this time within 50. Before ending the term on measurement, including length, mass and volume.

Our daily counting practise will be focusing on counting in 2's, 5's and 10's.

Music

Music and movement sessions will be held weekly.

Science

We will be continuing our 'Animals, including Humans' unit by exploring our senses and understanding how what we eat can affect our bodies. We will also be observing the seasonal changes as we move from Winter into Spring.
