

Year 2 -Term 4 - 2018

English

As authors, we will use 'Gorilla' by Anthony Browne to aid our descriptive writing and think closely about character feelings, actions and the impact these have on others.

We will also undertake factual research on primates and produce a piece of persuasive writing on the benefits of the animals.

Maths

As Mathematicians, we will develop our fluency, reasoning and problem solving skills.

In particular, we will develop our understanding of subtraction, addition and their links, as well as the collecting and reading data. We will also continue with multiplication, division and fractions.

Music

As Musicians, we will be learning the different notes of the recorder, how to play them and some songs to perform as a class.

Science

As young scientists we will learn about materials and their properties. We will undertake a number of experiments to test and compare.

Art/Design technology

As designers, we will create a range of art inspired by our topic and make our own 'burning' buildings.

History

As Historians, we will carry on with our topic 'The Great Fire of London', learning about sequence of events, important people and writing reports.

P4C

As philosophers, we will create our own philosophical questions that will be the focus of an enquiry or dialogue.

P4C website: <https://www.sapere.org.uk/>

P.E

As sportspersons, we will develop our team building skills and use movement to create transferable skills between sports and dance.

Assemblies

Monday: SEAL assembly.

Tuesday: Singing assembly.

Wednesday: Class assembly.

Thursday: KS1 assembly.

Friday: Sharing assembly.
