

English

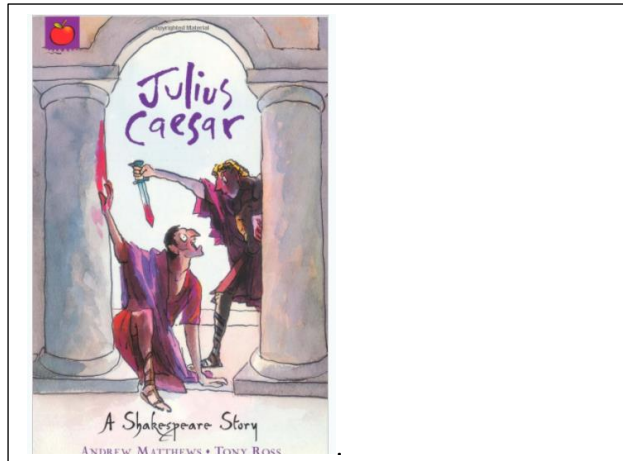

As Authors, we will be studying the Shakespeare classic 'Julius Caesar'. We will begin by exploring the vocabulary and language used in the text. We will then focus on features of a play script and characterisation.

SEAL Theme/British Values

As learners, we are focussing on developing our growth mindset to become active learners that do not give up when faced with a challenge.

Maths

As Mathematicians, we will be focussing on money and statistics. We will learn how to convert pounds to pence and how to calculate change. We will then move on to pictograms and bar charts.

Julius Caesar

Term 4 Year 3

PE

As Sports People, we will be developing our core skills that are needed in all areas of sports.

Languages

As Linguists, we will be continuing to study Spanish this year. We will practise speaking, reading and writing.

Computing

As Computer Engineers, we are focussing on E – safety. We will be developing our awareness of relevant e-safety issues, such as cyber bullying. We will begin to abide by the school's 'Being SMART Online' Rules and know that it contains rules that exist in order to understand what personal information should be kept private.

Theme

As Historians, we will be continuing to find out about the Roman Empire and the impact it made on Britain.

As Geographers, we will be observing topographical features including hills, mountains, coasts and rivers.

Science

As Physicists, we will begin to identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food. We will identify that humans and some other animals have skeletons and muscles for support, protection and movement.

R.E

As Theologians, we will be exploring Passover. We will be making links between Passover and the Easter story.
