Dear Parent/Carer(s)

Reception Apples and Chestnuts Class

Planned Reception Educational Visits

We want to provide the very best learning and experiential opportunities for all our Reception children; we would like to stress that every educational visit planned is a fantastic learning opportunity that further deepens a child's experience and understanding of the topics that they are exploring in class.

We are therefore writing to parents/carers to gather consent about the educational visits that are currently in the process of being planned for this academic year. In the past, we have unfortunately had to cancel visits, due to lack of support/contributions; educational visits can only go ahead if we have a viable number of pupils participating and the school is not in a position to fund every visit for every pupil.

On the next page, you will find a list of educational visits and provisional dates and costs. Additional information will be communicated once bookings have been confirmed. We would like to give families as much time as possible to contribute towards the visits and payment plans can be set up via the office to spread the cost over the year and maximise the numbers of pupils participating. The total estimated cost is **£35** per pupil. We plan to hold some fundraising events over the year, which may further reduce the cost.

Please note that if you are experiencing financial difficulties, we would urge you to arrange a private meeting with the class teacher to discuss possibilities and options, rather than opting out.

Complete the details and table on the next page and return to school by **Friday 5th October**, so that teachers can confirm bookings and numbers.

Do come and speak to us if you have any questions or fundraising ideas.

Many thanks

Sarah, Keeley and Pheppi
